

PACKAGED TERMINAL HEAT PUMP BONUS INCENTIVE

LIMITED-TIME OFFER FOR LODGING CUSTOMERS OF PORTLAND GENERAL ELECTRIC AND PACIFIC POWER, EFFECTIVE AUGUST 2019

PROJECT-AT-A-GLANCE

Hospitality site in Southern Oregon installs 31 packaged terminal heat pumps

Financial analysis and savings

- \$17,600 in project costs
- \$1,900 estimated annual energy cost savings
- 25,800 kWh hours saved

Base incentive

- \$6,200 in Energy Trust cash incentives

Base incentive plus \$125 bonus per unit

- \$10,075 in Energy Trust cash incentives (total)

Energy Trust of Oregon provides businesses with cash incentives to help reduce upfront costs and make energy-efficient upgrades more affordable. For a limited time, Energy Trust is offering a bonus incentive to commercial lodging customers who upgrade their electric resistance heating system to an AHRI Certified® packaged terminal heat pump.

BASE INCENTIVE	+ BONUS INCENTIVE	= TOTAL INCENTIVE
\$200 each	\$125 each	\$325

Bonus Requirements

- Upgrade electric resistance heating system in guest rooms and common areas to an AHRI Certified packaged terminal heat pump
- Only available for lodging customers of Portland General Electric and Pacific Power
- No pre-approval is needed
- Equipment must be purchased and installed after August 1, 2019
- Application and all required documentation must be received by Energy Trust within 90 days from the date of purchase and installation—but no later than December 31, 2019
- Energy Trust may conduct a post-installation verification
- Incentives are subject to funding availability and may change
